

Eigenbrod Ident-No.	Produktnavn
Target transport systems 10m	
10.000.001	Target transport system model "ELG 10-88" for air rifle and air pistol 10m complete
10.000.005	Target transport system model "ELG 10-88" for air rifle and air pistol 10m only drive unit
16.000.001	Target transport system model "ELG Super 10-85" for air rifle and air pistol 10m complete
16.000.005	Target transport system model "ELG Super 10-85" for air rifle and air pistol 10m only drive unit
17.000.000	Target transport system model "ELG Super 10-85" for air rifle, air pistol and crossbow 10m complete
17.000.001	Conversion set for crossbow 10m model "ELG Super 10-85"
12.000.005	Target lighting for target transport systems 10m without lamp
70.050.000	RIKA World Champion target transport system for air rifle and air pistol 10m complete
70.050.002	RIKA World Champion target transport system for air rifle and air pistol 10m only drive unit
70.100.000	RIKA Sydney target transport system for air rifle and air pistol 10m complete
70.100.002	RIKA Sydney target transport system for air rifle and air pistol 10m only drive unit
70.220.000	RIKA target lighting for target transport systems 10m without lamp
70.250.001	RIKA World Champion conversion set for crossbow 10m bullet trap model "ProCatch"
70.200.000	RIKA bullet trap model "ProCatch"
Target transport system 30m until 100m	
22.000.001	Small bore target transport system model "5001-99" for 50m complete
22.400.000	Small bore target transport system model "5001-99" for 50m and 100m complete
22.200.002	Additional stop for the target transport system model "5001-99" with ramp support
22.650.000	Target transport system model "rack" for 50m complete (only for indoor ranges)
22.101.000	Venetion bullet trap made of steel plate for small bore 50m until 200 Joule complete
22.101.001	Venetion bullet trap made of steel plate for small bore and free pistol 50m until 200 Joule complete
Shooting table	
23.000.000	Shooting table 220 x 80 cm with wheels, hight 65 or 90 cm
23.200.000	Shooting table 220 x 80 cm, hight 90 cm foldaway with kneeling plate
Running target 10m system	
25.000.001	Running target 10m system with return to the shooter complete with bullet trap
25.000.006	Lighting for running target 10m system

Rotation target systems 10m / 25m	
24.050.001	Rotation target system 25m complete with control unit
24.200.006	2 Rotation target systems 25m compl. with one control unit
24.799.000	Rotation target system 10m complete with control unit
24.800.007	Aluminiumrack for rotation target system 10m
24.800.008	Bullet trap for rotation target system 10m with acoustic insulation
24.800.009	Falling target to insert in the support of the rotation target system 10m
Biathlon and biathlon system Lying, Standing	
70.400.001	RIKA housing for biathlon without inserts
70.400.006	RIKA air rifle inserts (5 pc.) for biathlon system
70.400.007	RIKA air rifle youth inserts (5 pc.) for biathlon system
70.400.008	RIKA air pistol inserts (5 pc.) for biathlon system
70.400.009	RIKA protection plate for biathlon system
Target transport system 10m model ELG 10-88 and 10-85	
10.000.010	Plastic carriage for AR- and AP-targets with holdingforks
10.000.009	Plastic carriage for AR- and AP-targets without holdingforks
10.000.008	1 Set Target holding forks
10.000.007	Screws and spring for 1 set target holding forks
10.000.016	Driving motor for target transport system model ELG 10-88 and ELG Super 10-85
10.000.017	Driving wheel for ELG 10-88 and ELG 10-85
10.000.020	Capacitor for model ELG 10-88 and ELG 10-85
10.000.032	Circuit board for target transport system model ELG 10-88 and model ELG Super 10-85
10.000.023	On/Off-Switch for model ELG 10-88 and ELG 10-8
10.000.024	Switch for the direction of rotation for model ELG 10-88
Target transport system 10m Rika model World Champion	
70.050.030	Driving motor for Rika World Champion 220V
70.050.039	Driving wheel for Rika World Champion
70.050.037	Base plate for Rika World Champion steel zined
70.050.035	Base plate for Rika World Champion plastic
70.050.018	On/Off-Switch for Rika World Champion
70.050.015	Capacitor for World Champion 220V
70.050.017	Mushroom key for World Champion
70.050.042	Brace steel for World Champion
70.050.040	Brace plastic for World Champion
Target transport system 10m Rika model Sydney	
70.100.016	Circuit board for Rika Sydney
70.100.019	Driving motor for Rika Sydney 220V

Cables for target transport systems 10m	
10.000.012	Bearer cable 21m, for AR-/AP model ELG 10-88 and 10-85
10.000.014	Bearer cable 500m, for AR-/AP model ELG 10-88 and 10-85
10.000.013	Hauling cable 21m, for AR-/AP model ELG 10-88 and 10-85
10.000.015	Hauling cable 500m,for AR-/AP model ELG 10-88 and 10-85
70.000.010	Bearer cable 20m, for Rika World Champion and Sydney
70.000.032	Bearer cable 30m, for Rika World Champion and Sydney
70.000.034	Bearer cable for three-position, for Rika World Champion
70.000.011	Hauling cable 20m, for Rika World Champion and Sydney
70.000.031	Hauling cable 30m, for Rika World Champion and Sydney
70.000.033	Hauling cable for three-position, for Rika World Champion
70.000.036	Plastic ball 6mm for hauling cable
70.000.030	Plastic carriage for AR- and AP compl. with target holding forks, screws and hauling cable for Rika WC and Sydney
70.000.026	Plastic carriage for AR- and AP compl. with target holding forks, screws for Rika WC and Sydney
70.000.038	Plastic carriage for AR and AP
70.000.035	Screw and spring for plastic carriage for AR and AP
70.000.028	1 set Target holding forks for plastic carriage AR and AP Rika World Champion and Sydney
Back wall for Rika - target transport system 10m	
70.000.061	Screw M 6x130mm with 2 distance sleeves for back wall
70.000.060	1 pc bearer cable carrier for back wall
70.000.059	Aluminium pag with plastic roll for bearer cable carrier
70.200.015	Plastic turning roll with ball bearing for back wall
Bullet trap 10m ProCatch	
70.200.001	Bullet trap Mod. Sydney
70.200.016	Plastic plate for bullet trap ProCatch
70.200.005	Wave fuse
70.200.003	Axis blue zinced
Rika - crossbow 10m	
70.250.053	Driving belt for Rika crossbow system
70.000.010	Bearer cable 20m, for Rika crossbow system
70.000.011	Hauling cable 20m, for Rika crossbow system
70.000.037	Plastic ball 8mm for bearer cable
70.250.008	Arrow-catch-board with lead corn for Rika crossbow system
70.250.054	Capping piece steel for Rika crossbow 10m system
70.250.050	Bumping fork for 10m crossbow "Bullet trap ProCatch"

biathlon system / biathlon system lying,standing	
70.400.014	Tilting axle
70.400.011	Flap (point of impact) biathlon system lying,standing
70.300.004	Flap (point of impact) biathlon system
70.400.012	Falling object protection biathlon system lying,standing
70.300.009	Falling object protection biathlon system
70.400.005	Protection plate for biathlon system
70.300.005	Protection plate for biathlon system lying, standing
