

Quick Mount for A-320 Series Amplifiers

A-320QM

Amplifier not included

One source, Many Solutions

The A-320QM is one example of the broad capabilities of Ultralife Communications Systems to provide products, systems and 'concept to reality' engineering solutions to the military and defense industries. Ultralife offers a wide range of products from batteries, RF amplifiers, chargers, power adapters, speakers, cables/connectors, equipment mounts and case equipment. As a worldwide leader in power solutions and accessories, Ultralife customers benefit from a company that is one source for many solutions.

Features

- Rugged construction
- Coiled steel wire dampers
- Nylon amp holder with steel reinforcement
- Latch can be operated quickly with one hand

Overview

Ultralife's A-320QM is designed to quickly and easily mount any A-320 series amplifier. It is lightweight (under 1 lb. without amp) and adaptable to most military vehicles and base stations.

Durability

The A-320QM features rugged construction, and is backed by Ultralife's three-year warranty. The mount is designed to meet or exceed MIL-STD-810G standards for shock and vibration.

Quick Mount for A-320 Series Amplifiers

A-320QM

Technical Specifications:

Part No.	A-320QM
Size (H x W x L)	3.0 x 4.0 x 5.5 (inches - without amplifier) 72 x 102 x 140 (mm - without amplifier)
Weight	< 1 lbs (without amplifier) < .45 Kg (without amplifier)
Weather Resistant	MIL-STD-810G compliant
Finish	Black
Operating Temperature	-30° to +60° C
